Elevate your beverage service with the Frigos Premium FGP-BB-48G, a 48.75" Refrigerated Back Bar Cabinet featuring (2) hinged glass doors and an 11.8 cu ft capacity. This cabinet not only adds a touch of sophistication to your space with its black powdered coated steel exterior but also ensures durability in a bustling bar or beverage service area. With a temperature range of 33°F to 38°F, it keeps your beverages perfectly chilled.

The (2) hinged glass doors provide a clear view of your beverages and add a touch of elegance to your bar setup. These doors are self-closing, ensuring energy efficiency and convenient access for both customers and staff. The cabinet features four adjustable shelves, offering flexibility in organizing your beverage selection. With a 1/3+ HP compressor located on the left side, the Frigos Premium FGP-BB-48G delivers efficient cooling performance while using eco-friendly R290 refrigerant. The cabinet is easy to install with the Nema 5-15P plug type, and the stainless steel interior not only complements the unit's functionality but also enhances its overall aesthetic. Make your beverage service stand out with the Frigos Premium FGP-BB-48G, ensuring that your customers enjoy their drinks in a stylish and perfectly chilled environment.
