Enhance your bar or beverage service area with the Frigos Premium FGP-BB-60, a 60.8" Refrigerated Back Bar Cabinet featuring (2) hinged solid doors and an impressive 15.8 cu ft capacity. This cabinet, with its sleek black powdered coated steel exterior, combines a contemporary aesthetic with durability to meet the demands of a bustling bar environment. With a temperature range of 33°F to 38°F, it ensures your beverages remain perfectly chilled, ready to serve your customers a refreshing drink.

The (2) hinged solid doors not only offer a clean and stylish appearance but also feature self-closing mechanisms, ensuring energy efficiency and easy access. With four adjustable shelves, you have the flexibility to organize your beverage selection as needed. The 1/3+ HP compressor, mounted on the left side, guarantees efficient cooling performance while utilizing eco-friendly R290 refrigerant. Easy installation is ensured with the Nema 5-15P plug type, and the stainless steel interior adds a touch of elegance to the unit's functionality. Elevate your beverage service with the Frigos Premium FGP-BB-60, ensuring your customers enjoy their drinks in a perfectly chilled and stylish environment.
