Elevate your beverage presentation with the Frigos Premium FGP-BB-72G, a 72.8" Back Bar Refrigerator featuring (3) glass doors and a capacious 19.6 cu ft capacity. This stylish and robust refrigerator in a black powdered coated steel exterior is designed for busy bars and beverage service areas. With a temperature range of 33°F to 38°F, it ensures your beverages are stored at the perfect serving temperature, providing your customers with a visually appealing and refreshing drink experience.

The (3) self-closing glass doors offer a clear and enticing view of your beverage selection while promoting energy efficiency. Inside, you'll find six adjustable shelves, offering ample space for organizing your drinks and showcasing them to your customers. The 1/3+ HP compressor, mounted on the left side, delivers efficient cooling performance while using eco-friendly R290 refrigerant. Installation is a breeze with the Nema 5-15P plug type, and the stainless steel interior enhances both the unit's functionality and aesthetics. Make a statement with the Frigos Premium FGP-BB-72G, ensuring your customers enjoy perfectly chilled and visually enticing drinks in a stylish and inviting environment.
