Introducing the Frigos Premium FGP-BC-50, a 50" Bottle Cooler with a spacious 12.7 cu ft capacity. This sleek and efficient bottle cooler is the perfect solution for keeping your beverages at the ideal temperature, maintaining a range of 33°F to 41°F. Its black corrosion-resistant steel exterior adds a touch of elegance and durability to any bar or beverage service area.

With two sliding lids, the Frigos Premium FGP-BC-50 offers easy access to your chilled drinks. The 1/3+ HP compressor, mounted on the right side, ensures dependable and consistent cooling performance. This bottle cooler is not only functional but also energy-efficient, utilizing R-290 refrigerant. With Nema 5-15P plug type, it's easy to install and get your beverages chilled in no time. The stainless steel interior and 12.7 cu ft capacity make it an ideal choice for commercial establishments looking to provide cold beverages with style and reliability. Add the Frigos Premium FGP-BC-50 to your service area and ensure your customers enjoy refreshingly cold drinks every time.
