Discover the Frigos Premium FGP-BC-65, a 65" Bottle Cooler with an impressive 17.5 cu ft capacity - the ultimate solution for keeping your beverages perfectly chilled. With a temperature range of 33°F to 41°F, this cooler is designed to provide a refreshing and consistent beverage experience. Its sleek black corrosion-resistant steel exterior not only adds a touch of sophistication but also ensures durability in any commercial setting.

Featuring two sliding lids for easy access to your beverages, the Frigos Premium FGP-BC-65 offers convenience and style. The 1/3+ HP compressor, located on the right side, guarantees reliable and efficient cooling performance while utilizing environmentally friendly R290 refrigerant. With a Nema 5-15P plug type, installation is a breeze. The stainless steel interior and generous 17.5 cu ft capacity make it an ideal choice for bars, restaurants, or any establishment looking to serve chilled drinks in a reliable and attractive manner. Upgrade your beverage service with the Frigos Premium FGP-BC-65 and ensure your customers enjoy every sip of their perfectly chilled drinks.
