Introducing the Frigos Premium FGP-BD-48 Beer Dispenser, a compact powerhouse designed to elevate your draft beer experience. Equipped with (2) Single Draft Towers, this dispenser ensures you have a variety of brews at your fingertips, offering a 1/2 keg capacity to keep the drinks flowing.

Crafted with a sleek black exterior and featuring a swing door with a right-side hinge, this beer dispenser exudes elegance while providing easy access and maintenance with its left-side mounted compressor. It maintains a consistent temperature range from 33°F to 40°F, guaranteeing that your beers are served at the perfect chill. With a 11.8 cu ft capacity and two shelves for organization, this dispenser is ideal for home enthusiasts and commercial use alike.

Not only does the Frigos Premium FGP-BD-48 deliver style and performance, but it's also environmentally conscious with R-290 refrigerant and energy-efficient, consuming only 1.8 KW per 24 hours. Weighing in at a mere 325 lbs and measuring 48.75 inches in width, 24.4 inches in depth, and 35.88 inches in height, this beer dispenser is the perfect blend of form and function, making it an excellent addition to any setting where quality draft beer service is a must.
