Introducing the Frigos Premium FGP-BD-60 Beer Dispenser, a remarkable solution for serving your favorite draft beverages in style. With two single draft towers, this dispenser offers an unmatched pouring experience, and it's designed to accommodate (2) 1/2 kegs, ensuring you have an ample supply of your preferred brews.

This beer dispenser stands out with its sleek black exterior, featuring a swing door with a right-side hinge, all complemented by a left-side mounted compressor for easy access and maintenance. It maintains a consistent temperature range between 33°F and 40°F, ensuring your beverages are always served at their best. The interior offers plenty of space, with two shelves to keep your kegs and drinks organized. Whether you're a home enthusiast or a bar owner, the Frigos Premium FGP-BD-60 is a compact and efficient choice, designed to provide you with an exceptional draft beer experience.

With its 15.8 cu ft capacity and lightweight design of 394 lbs, this beer dispenser is an ideal choice for those seeking a versatile and stylish solution for dispensing their favorite brews. Plus, it's eco-friendly with R-290 refrigerant, consuming only 2 KW per 24 hours, making it an economical and efficient addition to any space.
