Introducing the Frigos Premium FGP-BD-72 Direct Draw Beer Cooler – the ultimate solution for keeping your beverages chilled to perfection. This sleek and durable cooler boasts an impressive 72.8" exterior with a black corrosion-resistant steel finish, making it a stylish addition to any bar or restaurant. With its three solid swing doors, you'll have easy access to your drinks, and the left-side mounted compressor ensures efficient cooling without compromising the aesthetics of your establishment.

The FGP-BD-72 runs on eco-friendly R-290 refrigerant and features a 1/3 HP compressor for rapid cooling. Its spacious stainless steel interior provides ample storage for your beverages, and it's easy to clean and maintain. Whether you're serving draft beers or other cold beverages, this cooler offers exceptional performance, with an energy-efficient 2.1 kW per 24 hours. Elevate your beverage service with the Frigos Premium FGP-BD-72 – where style meets functionality.

With dimensions of 72.8" (W) x 30.7" (D) x 35.88" (H) on the exterior and 60.2" (W) x 18.5" (D) x 28.9" (H) on the interior, this cooler provides the perfect blend of capacity and space-saving design. Don't miss out on the opportunity to upgrade your beverage service with the FGP-BD-72 – the industry standard for direct draw beer coolers.

Item	Width (Inch)	Depth (Inch)	Height (Inch)	Material
