Introducing the Frigos Premium FGP-FZ-1DBC, a top-of-the-line 1-door reach-in freezer offering a substantial 23 cubic feet of storage capacity. This commercial-grade freezer is engineered to meet the demanding needs of busy foodservice establishments, ensuring that your frozen items are always kept at their optimal temperature.

Boasting a rugged stainless steel exterior and interior, this freezer is both durable and easy to clean, capable of withstanding the rigors of a bustling kitchen environment. The bottom-mounted compressor ensures efficient and consistent cooling, all while being energy-efficient, with a low environmental footprint, thanks to the use of eco-friendly R290 refrigerant. This freezer has a temperature range of -10°F to 0°F, which makes it ideal for storing a wide range of frozen products.

The FGP-FZ-1DBC also features three sturdy shelves, providing plenty of room for organizing and storing your frozen inventory. With its sleek silver finish, this freezer is not only a reliable and practical addition to your kitchen but also adds a touch of sophistication to your workspace. For dependable freezing performance and sustainability in a sleek package, look no further than the Frigos Premium FGP-FZ-1DBC.
