Introducing the Frigos Premium FGP-FZ-2DBC/40, a top-notch 2-door bottom-mounted double solid door reach-in freezer with a spacious 35 cubic feet of storage capacity. Designed for professional kitchens, this freezer offers the perfect combination of functionality and efficiency, ensuring your frozen goods are preserved in ideal conditions.

The bottom-mounted compressor location enhances performance while making maintenance hassle-free, ensuring that this freezer runs smoothly. It utilizes the eco-friendly R-290 refrigerant, contributing to sustainability. The temperature range spans from -10°F to 0°F, enabling you to store a wide variety of frozen products safely, from raw ingredients to finished dishes.

Constructed with durable stainless steel, both on the interior and exterior, this freezer is built to last. Six sturdy shelves provide ample storage space and organization options for your frozen inventory. The silver finish adds a touch of sophistication to your kitchen, embodying the reliability and efficiency that the Frigos Premium FGP-FZ-2DBC/40 brings to your culinary establishment. If you need a top-quality double door reach-in freezer with a large capacity, this model is an excellent choice.

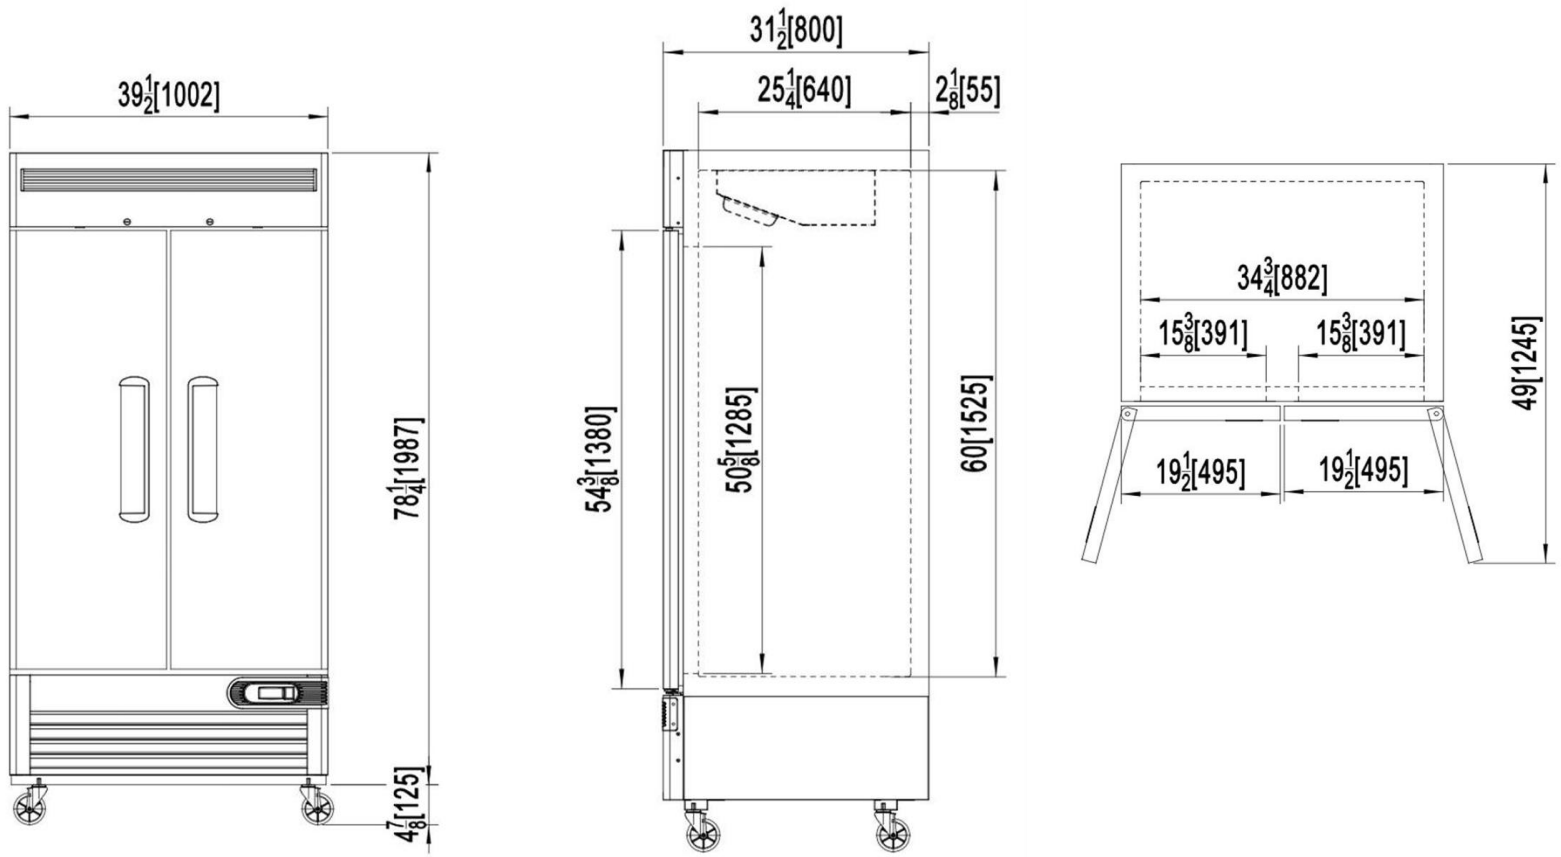

Item	Width (Inch)	Depth (Inch)	Height (Inch)	Material
