Discover the Frigos Premium FGP-FZ-2D, a robust and high-capacity two-door reach-in freezer offering an impressive 49 cubic feet of storage space. Designed for commercial kitchens and foodservice establishments that require reliable, spacious, and energy-efficient frozen storage, this freezer is an essential addition to your kitchen.

With a top-mounted compressor and the use of eco-friendly R-290 refrigerant, this freezer provides reliable, efficient cooling performance while being environmentally responsible. It boasts a wide temperature range of -10°F to 0°F, giving you the flexibility to store a variety of frozen products with ease and precision. The durable stainless steel construction, both inside and out, ensures longevity and resilience in the demanding environment of a professional kitchen.

The Frigos Premium FGP-FZ-2D features six sturdy shelves, offering plenty of room to keep your frozen inventory organized and accessible. The elegant silver finish adds a touch of sophistication to your kitchen while symbolizing the dependability and functionality that this freezer brings to your workspace. For efficient and sustainable freezing performance in a sleek and spacious package, the Frigos Premium FGP-FZ-2D is your top choice for meeting all your freezer storage needs.
