Introducing the Frigos Premium FGP-FZ-3DBC, an 82-inch triple solid door reach-in freezer boasting an impressive 72 cubic feet of storage capacity, making it an indispensable asset for commercial kitchens. Featuring three solid swing-style doors, this freezer provides easy access and efficient organization of your frozen inventory.

Designed with a bottom-mounted compressor location, it ensures stability and accessibility, simplifying maintenance procedures. This freezer offers a temperature range from -10°F to 0°F, creating an ideal environment for preserving various frozen goods, from bulk ingredients to premade dishes, and more. It's equipped with a robust 1 HP motor, ensuring reliable and high-performance freezing.

Constructed with stainless steel both inside and out, this freezer stands up to the rigorous demands of a professional kitchen, providing durability and effortless cleaning. With a total of nine shelves, you'll have plenty of room to store and organize your frozen products. The sleek silver finish adds a touch of elegance to your kitchen while contributing to its longevity. If you're seeking a top-tier, three-door reach-in freezer with exceptional performance and a spacious interior, the Frigos Premium FGP-FZ-3DBC is your solution.

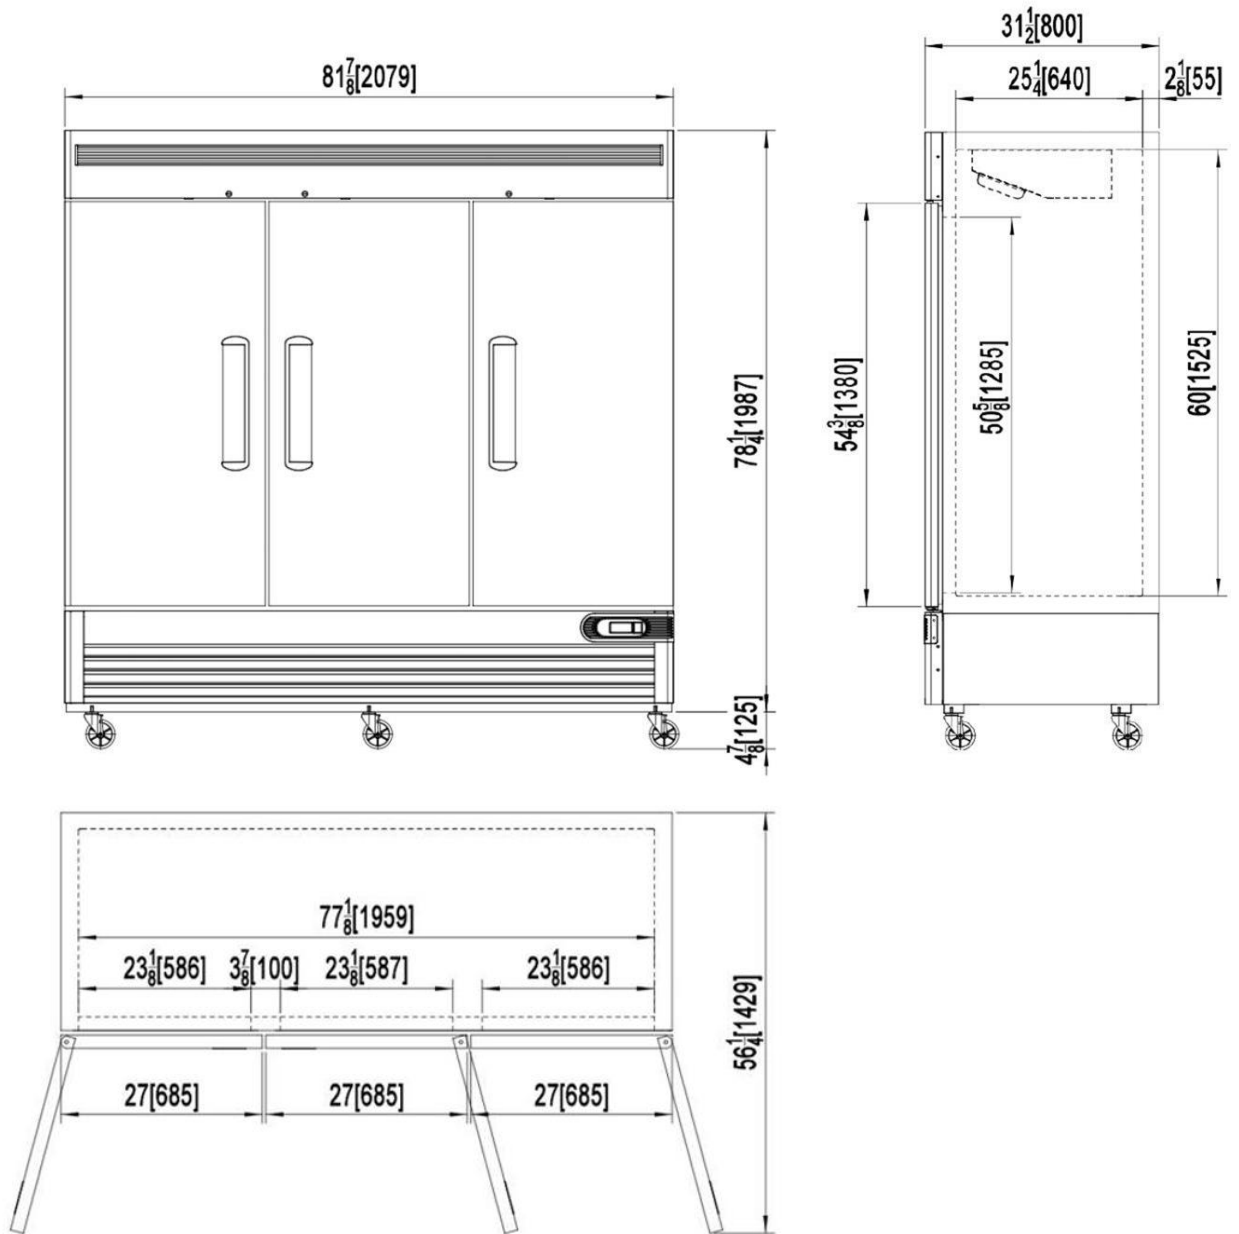

Item	Width (Inch)	Depth (Inch)	Height (Inch)	Material
