Discover the Frigos Premium FGP-FZ-3D, a top-tier triple solid door reach-in freezer that provides a generous 72 cubic feet of storage capacity, making it an essential asset for commercial kitchens. This freezer is equipped with three swing-style solid doors, allowing you to organize and access your frozen inventory with ease.

The top-mounted compressor location is designed for efficiency and accessibility, ensuring quick and straightforward maintenance when needed. With an impressive -10°F to 0°F temperature range, this freezer provides the perfect conditions for preserving various frozen products, from ingredients to pre-prepared dishes, and more. It's powered by a 1 HP motor, delivering exceptional performance and reliability.

Built to withstand the demands of a professional kitchen, this freezer features stainless steel construction both on the interior and exterior, making it durable and easy to clean. The nine shelves provide ample storage space and organization options for your frozen goods. With its elegant silver finish, the Frigos Premium FGP-FZ-3D is not only functional but also adds a touch of sophistication to your kitchen, making it a valuable addition to your culinary establishment. If you need a high-capacity, three-door reach-in freezer that excels in performance and durability, this model is a top choice.

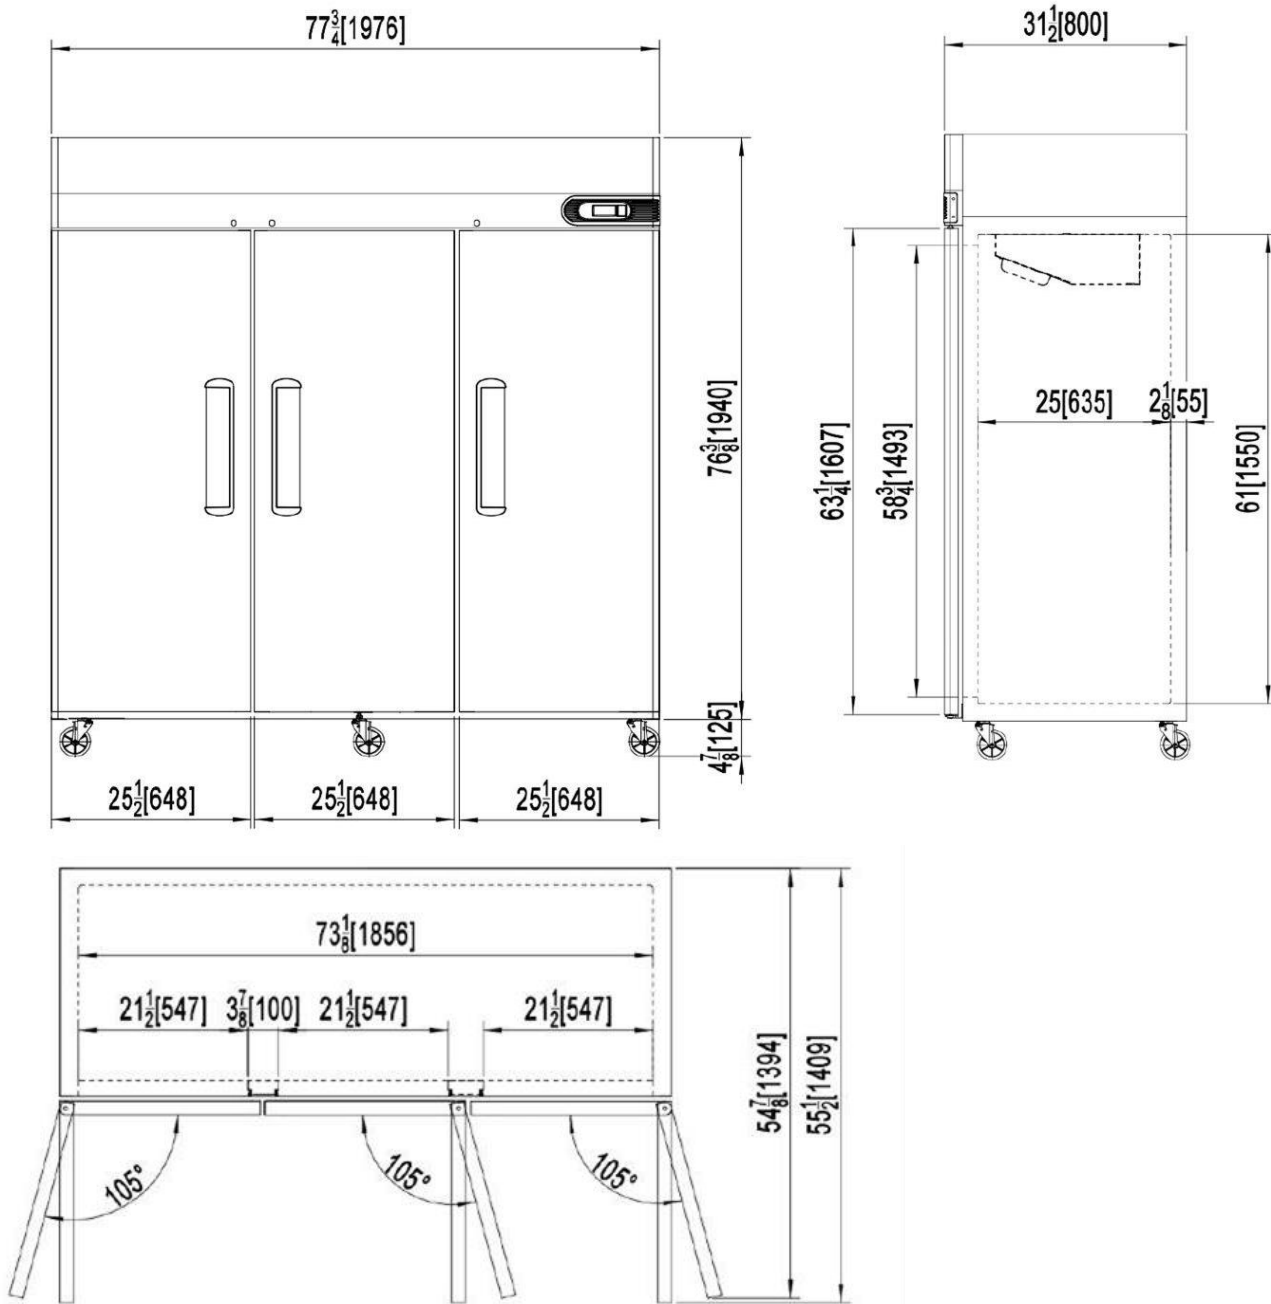

Item	Width (Inch)	Depth (Inch)	Height (Inch)	Material
