Presenting the Frigos Premium FGP-RF-2DBC, a highly versatile and spacious double-door reach-in refrigerator designed to meet the specific needs of commercial kitchens. Boasting a generous storage capacity of 49 cubic feet, this refrigerator is tailored for the rigorous demands of busy foodservice operations, providing a dependable and energy-efficient solution to keep your ingredients and perishables fresh and easily accessible.

Equipped with a bottom-mounted compressor and solid swing doors, the FGP-RF-2DBC combines convenience with efficiency. Featuring six sturdy shelves, this refrigerator ensures ample storage and organization for your diverse range of products. Maintaining a consistent temperature range of 33°F to 41°F, it guarantees that your items are stored under optimal conditions.

Not only does the FGP-RF-2DBC deliver efficiency, but it also prioritizes sustainability by utilizing R-290 refrigerant and consuming a mere 3.24 KW per 24 hours. Its silver stainless steel exterior and interior, complemented by four-inch caster wheels, contribute to easy cleaning, durability, and an appealing visual aesthetic.
