The Frigos Premium FGP-RF-3DBC is an exceptional 3-door reach-in refrigerator, delivering a substantial 72 cubic feet of storage capacity designed to meet the high demands of commercial kitchens. With a bottom-mounted compressor, this refrigerator offers easy access and organization for your ingredients and products, maximizing storage space. It's an ideal choice for busy foodservice establishments that require reliable and efficient refrigeration.

This refrigerator comes with nine sturdy shelves, ensuring you have ample space to store various items while keeping them well-organized and accessible. The consistent temperature range of 33°F to 41°F maintains the freshness and quality of your products. Crafted with a durable stainless steel exterior and interior, the FGP-RF-3DBC is easy to clean and built to withstand the challenges of a busy commercial kitchen.

The FGP-RF-3DBC is an eco-conscious choice, utilizing R-290 refrigerant and consuming only 4.28 KW per 24 hours. With a sleek silver finish, this refrigerator not only adds a touch of sophistication to your kitchen but also offers efficient and dependable refrigeration, allowing you to focus on serving your customers and running your business smoothly.
