Introducing the Frigos Premium FGP-RFM-10, a 10 cubic feet glass door merchandiser refrigerator designed to showcase your products while keeping them at the perfect temperature. This single-door refrigerator is ideal for small businesses, cafes, and convenience stores, allowing you to display your items in an attractive and organized manner.

With a sleek white exterior and a glass door, the FGP-RFM-10 not only keeps your products cool within a temperature range of 33°F to 41°F but also provides excellent visibility for your customers. Its 1/6 HP compressor, located at the bottom for easy maintenance, ensures reliable and efficient cooling. Inside, you'll find four adjustable shelves that allow you to customize the layout to accommodate a variety of items.

Constructed with durable white powder-coated steel and a stainless steel interior, this merchandiser refrigerator is designed to withstand the rigors of a commercial setting while maintaining a clean and professional appearance. With Nema 5-15P plug type and user-friendly features, the Frigos Premium FGP-RFM-10 is a valuable addition to any business looking to present their products attractively and maintain them at the perfect temperature.
