Presenting the Frigos Premium FGP-RFM-12, a 11.8 cubic feet glass door merchandiser refrigerator that offers an elegant solution for displaying your products while keeping them at the perfect temperature. Whether you're running a café, convenience store, or any retail space, this single-door refrigerator is designed to enhance your products' visibility and appeal.

With its clean white exterior and a glass door, the FGP-RFM-12 not only maintains a consistent temperature range of 33°F to 41°F but also provides excellent visibility for your customers. The 1/6 HP compressor, conveniently located at the bottom, ensures reliable and efficient cooling performance while remaining easy to access for maintenance. Inside, you'll find four adjustable shelves that make it easy to arrange and display your items as you prefer.

Constructed with sturdy white powder-coated steel, this merchandiser refrigerator is built to withstand the demands of a commercial environment, maintaining a clean and professional appearance. Its Nema 5-15P plug type and user-friendly features make the Frigos Premium FGP-RFM-12 an excellent addition to any business aiming to exhibit their products attractively and store them at the optimal temperature. Elevate your retail space with this premium glass door merchandiser refrigerator.
