Introducing the Frigos Premium FGP-RFM-23 Swing Glass Door Merchandiser Refrigerator – the perfect solution for businesses looking to display and store their products in style. With a 23 cubic feet capacity, this refrigerator provides ample space to showcase your merchandise while keeping it at an optimal temperature range of 33°F to 41°F.

Featuring a single glass swing door, the FGP-RFM-23 offers great visibility for your products, inviting customers to make their selections with ease. The 3/8 HP bottom-mounted compressor efficiently maintains the desired temperature and is easily accessible for maintenance. Four adjustable shelves inside allow you to arrange your items as desired, making it suitable for a variety of products.

Crafted with a white powder-coated steel exterior and a stainless steel/white powder-coated steel interior, this refrigerator is not only durable but also adds a touch of elegance to your retail space. Its Nema 5-15P plug type ensures easy setup, making this Frigos Premium merchandiser refrigerator a valuable addition to stores, cafes, and more, allowing you to present your products attractively and maintain their freshness. Elevate your product presentation with the FGP-RFM-23.

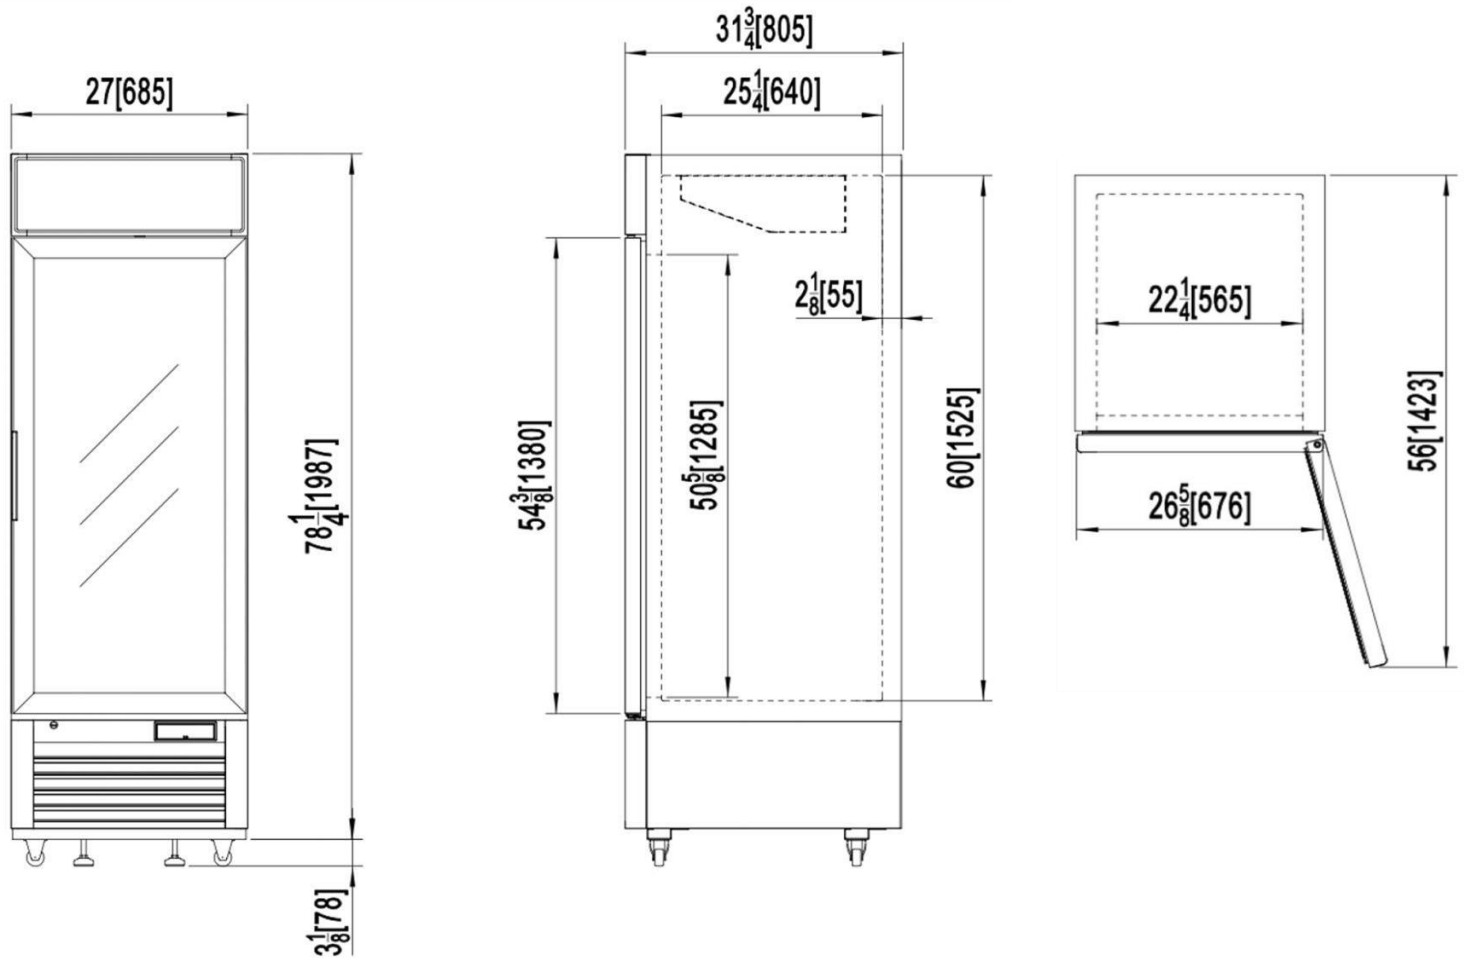

Item	Width (Inch)	Depth (Inch)	Height (Inch)	Material
