Elevate your store's refrigeration with the Frigos Premium FGP-RFM-72 Swing Glass Door Merchandiser Refrigerator, offering an impressive 72 cubic feet of storage space. This refrigerator is designed to showcase your products in style while keeping them fresh and ready for customers to enjoy.

With three swinging glass doors and 12 adjustable shelves, this unit allows for flexible arrangement and easy access to your items. The refrigerator operates in a temperature range of 33°F to 41°F, ensuring that your products stay at their best. The bottom-mounted compressor simplifies maintenance and minimizes noise while the Nema 5-15P plug type makes setup hassle-free.

The exterior features durable white powder-coated steel, offering a sleek look that complements your store's decor. The interior combines white powder-coated steel and stainless steel for added strength and hygiene. If you're looking for a high-capacity merchandiser refrigerator to enhance your store's presentation, the FGP-RFM-72 is the perfect solution.
