Introducing the Frigos Premium FGP-SL-3D, a remarkable 72.7" 3-Door Refrigerated Sandwich Prep Table, meticulously designed to meet the high demands of commercial kitchens. With a spacious 24.5 cubic feet capacity, this prep table combines extensive ingredient storage with an efficient work surface, making it an invaluable asset for sandwich and salad preparation.

The FGP-SL-3D features a back-mounted compressor, three solid swing doors, and three shelves for easy access and organization of your ingredients. With a temperature range of 33°F to 41°F, it ensures your ingredients remain at the ideal temperature for freshness. Equipped with a robust 1/2 HP compressor and eco-friendly R290 refrigerant, this prep table is designed for energy efficiency, consuming 4.1 KW per 24 hours, which translates into cost savings for your business.

Its sleek silver exterior, sturdy 6-inch caster wheels for easy mobility, and durable stainless steel interior and exterior not only add a touch of sophistication to your kitchen but also guarantee longevity and ease of use. Whether you're operating a bustling restaurant, a deli, or a catering business, the Frigos Premium FGP-SL-3D is your reliable partner for efficient ingredient storage and sandwich/salad preparation, ensuring your kitchen operates at peak performance.
