Presenting the Frigos Premium FGP-UCFZ-60, a high-capacity Double Door Undercounter Freezer with an 18 cubic feet capacity, meticulously designed to meet the demands of your commercial kitchen. This freezer not only provides an abundance of storage space but also ensures that your frozen goods are kept in optimal condition.

The FGP-UCFZ-60 boasts a back-mounted compressor, two solid swinging doors, and two shelves, facilitating easy access and efficient organization of your frozen items. With an impressive temperature range of -7° F to 3° F, it guarantees that your products remain perfectly frozen. This freezer is not only powerful but also energy-efficient, equipped with a 1/3 HP compressor and R-290 refrigerant, which results in a power consumption of 4.9 KW per 24 hours, effectively reducing operational costs.

The sleek silver exterior, 6-inch caster wheels for mobility, and stainless steel interior and exterior give this undercounter freezer a stylish and durable appeal. Whether you run a bustling restaurant, a catering business, or any other food establishment, the Frigos Premium FGP-UCFZ-60 is the perfect choice for preserving the quality and accessibility of your frozen goods, ensuring that your kitchen operates at its best.
