Technical Data:

Spacious Cooking Realm

With an expansive 48 x 20.7 inch cooking area, ignite culinary creativity with generous space.

Built for Durability

Crafted from stainless steel, this griddle seamlessly blends durability with aesthetics, capable of enduring the demands of professional kitchens.

Installation Versatility

The countertop design simplifies setup and provides flexibility in kitchen layout.

Quad Cooking Convenience

Equipped with four burners, this griddle allows multitasking without compromising precision, perfect for culinary productivity.

Effortless Mobility

Consider optional casters for effortless cleaning and flexible positioning.

Back and Side Splashes

With back and side splashes to protect your walls and counters, you'll maintain a safe and clean work environment.

Rear Gas Connection

The 3/4" gas connection arrives ready to link to a natural gas supply, with a liquid propane orifice kit included for versatile field conversion.

Convenient Cleanup

A conveniently removable waste tray collects grease and food debris throughout the day, streamlining cleanup.

Shipping Made Easy

Ships with dimensions of 51.25 inches in width, 33.5 inches in depth, and 19.25 inches in height for your convenience.

Elevate your culinary journey with the Inferno Blaze IB-CTG-48M Griddle – where convenience, quality, and performance redefine your kitchen experience.
