# General Information

**Omcan Manufacturing and Distributing Company Inc., Food Machinery of America, Inc. dba Omcan and Omcan Inc. are not responsible for any harm or injury caused due to any person's improper or negligent use of this equipment. The product shall only be operated by someone over the age of 18, of sound mind, and not under the influence of any drugs or alcohol, who has been trained in the correct operation of this machine, and is wearing authorized, proper safety clothing. Any modification to the machine voids any warranty, and may cause harm to individuals using the machine or in the vicinity of the machine while in operation.**

## CHECK PACKAGE UPON ARRIVAL

Upon receipt of an Omcan shipment please inspect for external damage. If no damage is evident on the external packaging, open carton to ensure all ordered items are within the box, and there is no concealed damage to the machine. If the package has suffered rough handling, bumps or damage (visible or concealed), please note it on the bill of lading before accepting the delivery and contact Omcan within 24 hours, so we may initiate a claim with the carrier. A detailed report on the extent of the damage caused to the machine must be filled out within three days, from the delivery date shown in the shipping documents. Omcan has no recourse for damaged products that were shipped collect or third party.

**Before operating any equipment, always read and familiarize yourself with all operation and safety instructions.**

**Omcan would like to thank you for purchasing this machine. It's of the utmost importance to save these instructions for future reference. Also save the original box and packaging for shipping the equipment if servicing or returning of the machine is required.**

**Omcan Fabrication et distribution Companie Limité et Food Machinery d'Amerique, dba Omcan et Omcan Inc. ne sont pas responsables de tout dommage ou blessure causé du fait que toute personne ait utilisé cet équipement de façon irrégulière. Le produit ne doit être exploité que par quelqu'un de plus de 18 ans, saine d'esprit, et pas sous l'influence d'une drogue ou d'alcool, qui a été formé pour utiliser cette machine correctement, et est vêtu de vêtements de sécurité approprié. Toute modification de la machine annule toute garantie, et peut causer un préjudice à des personnes utilisant la machine ou des personnes à proximité de la machine pendant son fonctionnement.**

## VÉRIFIEZ LE COLIS DÈS RÉCEPTION

Dès réception d'une expédition d'Omcan veuillez inspecter pour dommages externes. Si aucun dommage n'est visible sur l'emballage externe, ouvrez le carton afin de s'assurer que tous les éléments commandés sont dans la boîte, et il n'y a aucun dommage dissimulé à la machine. Si le colis n'a subi aucune mauvaises manipulations, de bosses ou de dommages (visible ou cachée), notez-le sur le bond de livraison avant d'accepter la livraison et contactez Omcan dans les 24 heures qui suivent, pour que nous puissions engager une réclamation auprès du transporteur. Un rapport détaillé sur l'étendue des dommages causés à la machine doit être rempli dans un délai de trois jours, à compter de la date de livraison indiquée dans les documents d'expédition. Omcan n'a aucun droit de recours pour les produits endommagés qui ont été expédiées ou cueillies par un tiers transporteur.

# General Information

---

**Avant d'utiliser n'importe quel équipement, toujours lire et vous familiariser avec toutes les opérations et les consignes de sécurité.**

**Omcan voudrais vous remercier d'avoir choisi cette machine. Il est primordial de conserver ces instructions pour une référence ultérieure. Également conservez la boîte originale et l'emballage pour l'expédition de l'équipement si l'entretien ou le retour de la machine est nécessaire.**

**Omcan Empresa De Fabricacion Y Distribucion Inc. Y Maquinaria De Alimentos De America, Inc. dba Omcan y Omcan Inc. no son responsables de ningun daño o perjuicio causado por cualquier persona inadecuada o el uso descuidado de este equipo. El producto solo podra ser operado por una persona mayor de 18 años, en su sano juicio y no bajo alguna influencia de droga o alcohol, y que este ha sido entrenado en el correcto funcionamiento de esta máquina, y ésta usando ropa apropiada y autorizada. Cualquier modificación a la máquina anula la garantía y puede causar daños a las personas usando la máquina mientras esta en el funcionamiento.**

## REVISE EL PAQUETE A SU LLEGADA

Tras la recepcion de un envio Omcan favor inspeccionar daños externos. Si no hay daños evidentes en el empaque exterior, Habra el carton para asegurararse que todos los articulos solicitados estén dentro de la caja y no encuentre daños ocultos en la máquina. Si el paquete ha sufrido un manejo de poco cuidado, golpes o daños (visible o oculto) por favor anote en la factura antes de aceptar la entrega y contacte Omcan dentro de las 24 horas, de modo que podamos iniciar una reclamación con la compañía. Un informe detallado sobre los daños causados a la máquina debe ser llenado en el plazo de tres días, desde la fecha de entrega que se muestra en los documentos de envío. Omcan no tiene ningun recurso por productos dañados que se enviaron a recoger por terceros.

**Antes de utilizar cualquier equipo, siempre lea y familiarizarse con todas las instrucciones de funcionamiento y seguridad.**

**Omcan le gustaría darle las gracias por la compra de esta máquina. Es de la mayor importancia para salvar estas instrucciones para futuras consultas. Además, guarda la caja original y el embalaje para el envío del equipo si servicio técnico o devolución de la máquina que se requiere.**

# Safety and Warranty

---

1. A high quality, fully enclosed compressor is used in this product and utilises the R134a or R600a refrigerant which is an environmentally friendly gas. A forced air refrigeration system is used which ensures that the temperature is very even throughout the ease.
2. Glazing is used throughout the product for maximum visibility and two rear mounted sliding doors allow easy access.
3. The horizontal showcase has a wide range of uses including convenience stores, bakery outlets and other food service establishments as well as offices and even homes.

# Safety and Warranty

- Always allow a time of around 2 hours between moving the unit and restarting it.

## HANDLING AND PLACEMENT

- Handle with care.**  
Unplug the wall socket first. Never tilt it over 45 degree during handling.
- Dry place.**  
Always locate the refrigerator at a dry place.
- Sufficient space.**  
The distance from both sides and back of refrigerator to wall or other substance must not less than 10cm. The refrigeration capability might be decreased if its surround space is too small to circulate air.
- Well ventilation.**  
Always locate the refrigerator at a place with fine ventilation. For the first time use, wait for 2 hours after handling and then plug the wall socket and start it.
- Far from heat source.**  
Never place the refrigerator directly under the sunshine. Never locate it nearby any heat source or heater to prevent it from reducing refrigeration capability.
- No heavy load.**  
Never put any heavy load on the top of the refrigerator.
- No hole making.**  
Never make hole on the refrigerator. Never install other matter on the refrigerator.
- Stable location.**  
Unpacking and locate the refrigerator on a flat and solid place.
- Exclusive power socket.**  
Normally, the power supply should be 220-240V, single phase AC with exclusive single phase three pin receptacle (250V 10A) and fuse (6A). The power receptacle must have a reliable earth connection.
- No share on socket.**  
Never let the refrigerator share the common socket with other appliance, otherwise the cable becomes hot and fire might be resulted.
- Protect cables.**  
Never break or damage the cables otherwise current leakage and fire might be resulted.
- No water flushing.**  
Never give the refrigerator surface a flush otherwise current leakage might be resulted.
- Prevent from flammables and explosive.**  
Never put any flammable or explosive inside the refrigerator such as ether, gasoline, alcohol, adhesive and explosive. Never put dangerous product nearby the refrigerator.
- No spray.**  
To spray the flammables such as paint or coating nearby the refrigerator is not allowed, otherwise fire might be resulted.
- After power break.**  
After power break or unplugging the refrigerator, always wait at least 5 minutes and then you may plug the refrigerator and start it again.
- No medicine.**  
No medicine is allowed to keep inside the refrigerator.

# ***Safety and Warranty***

---

## **1 YEAR PARTS AND LABOUR BENCH WARRANTY**

**Within the warranty period, contact Omcan Inc. at 1-800-465-0234 to schedule a drop off to either an Omcan authorized service depot in the area, or to an Omcan Service warehouse to repair the equipment.**

**Unauthorized maintenance will void the warranty. Warranty covers electrical and part failures, not improper use.**

**Please see [www.omcan.com/warranty.html](http://www.omcan.com/warranty.html) for complete info.**

### **WARNING:**

The packaging components are classified as normal solid urban waste and can therefore be disposed of without difficulty.

**In any case, for suitable recycling, we suggest disposing of the products separately (differentiated waste) according to the current norms.**

**DO NOT DISCARD ANY PACKAGING MATERIALS IN THE ENVIRONMENT!**

Item Number	43492	44393	44394	44395

## Operation

### BEFORE USE

Plug the fridge in to an exclusive 110V~ socket. Once the fridge has been running place your hand on the air extractor to confirm that it is sufficiently cold once you are happy then you may put food inside.

### DIGITAL TEMPERATURE CONTROLLER

### FEATURES OF FUNCTION

- It is a mini-sized and integrated intelligent controller and applicable to the compressor of one HP. The main functions are: Temperature Display, Temperature Control, Manual/Automatic Defrost by Burning Off, Illumination Control, Value Storing, Self Testing, Parameter Locking.

# Operation

---

## FRONT PANEL OPERATION

1. Set temperature:
  - Press the “SET” button, the set temperature is displayed.
  - Press  $\triangle$  or  $\nabla$  button to modify and store the displayed value.
  - Press the “SET” button to exit the adjustment and display the cold-room temperature.
2. If no more button is pressed within 10 seconds, the cold-room temperature will be displayed.
3. Illumination: Press the  $\odot$  button, it lights; Press again, it stops.  
Manual Start/Stop Defrost: Press the  $\odot$  button and hold for 6 seconds to defrost or stop defrost.
4. Refrigerant LED: During refrigeration, the LED is on; When the cold room temp. is constant, the LED is off;  
During the delay start, the LED flashes.
5. Defrost LED: during defrosting, the LED is on; When it stops defrosting, the LED is off, During the delay display of defrost, the LED flashes.

## SAFETY WARNINGS

- When opening the door try to reduce the length of time that it is open for in order to keep the temperature inside cold.
- Do not overload the unit food as it will affect the cooling ability.
- Always cool hot food down to room temperature before placing it in the fridge.
- The unit should only be maintained by a professional engineer.
- Never touch the compressor as it may be hot and burn you.
- If the power cord is damaged it must be replaced by the manufacturer or a professional engineer.
- Children should be supervised at all times to ensure they are not hurt by the unit.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.

**WARNING: Keep ventilation openings clear of obstruction at all times.**

**WARNING: Do not use mechanical devices or any other means of accelerated defrosting unless recommended by the manufacturer.**

**WARNING: Do not damage or modify the refrigeration circuit.**

**WARNING: Do not use electrical appliances inside the food storage areas unless they are recommended by the manufacturer.**

## ADDITIONAL WARNING:

**Caution: Risk of fire. The height of the triangle in the symbol shall be at least 15mm.**

# Maintenance

---

- Often keep the refrigerator clean and periodical maintenance is necessary.
- Always unplug the socket before maintenance.
- Never use damaged plug or loose socket to prevent from electric shock or short circuit.
- Never flush the refrigerator. Never use alkali detergent, soap, gasoline, acetone or brush.

## CLEANING

### 1. Clean outside

- Moisten soft cloth in a mild detergent solution to clean the outside, and then wipe off with a dry soft cloth.

### 2. Clean inside

- Remove the tray and clean with water.
- Use a soft, damp cloth to wipe the interior.

### 3. Turning off for prolonged periods

- Take out all food and unplug the unit from the wall.
- Clean both the inside and outside of the fridge thoroughly and open the door to allow it to dry.
- Be careful as the glass can easily be broken.

### 4. Replacement of the light

- If the LED is damaged it must be replaced by the manufacturer or their service agent.

# Troubleshooting

---

Trouble	Cause	Remedy
Unit not cooling.	Is the plug in the socket correctly?	Check the plug.
	Is the fuse blown?	Check fuse and replace if needed.
	Is there no power from the socket?	Plug another unit into the socket to check if it works.
Unit not cooling enough.	Is it in direct sunlight or near a heat source?	Move away from the heat source.
	Is the surrounding area bad for ventilation?	Move to an area with improved ventilation.
	Does the door close correctly? Is the door left open?	Check the door.
	Is the unit too full?	Remove some food.
	Is the temperature controller set correctly?	Check the controller.

# Troubleshooting

---

Loud operation noise.	The fridge is not sitting level.	Move to a flat surface.
	The fridge is vibrating against something else.	Move the unit so it is not touching anything.
	There is loose part in the refrigerator.	Check the interior for loose parts and tighten.

Contact your local Omcan Service Agent for help if simple trouble shooting does not solve the problems.

**Thank you for choosing Omcan | Merci d'avoir choisi Omcan | Gracias por elegir Omcan**

Since 1951 Omcan has grown to become a leading distributor of equipment and supplies to the North American food service industry. Our success over these many years can be attributed to our commitment to strengthen and develop new and existing relationships with our valued customers and manufacturers. Today with partners in North America, Europe, Asia and South America, we continually work to improve and grow the company. We strive to offer customers exceptional value through our qualified local sales and service representatives who provide convenient access to over 3,500 globally sourced products.

---

Depuis 1951 Omcan a grandi pour devenir un des "leaders" de la distribution des équipements et matériel pour l'industrie des services alimentaires en Amérique du Nord. Notre succès au cours de ces nombreuses années peut être attribué à notre engagement à renforcer et à développer de nouvelles et existantes relations avec nos clients et les fabricants de valeur. Aujourd'hui avec des partenaires en Amérique du Nord, Europe, Asie et Amérique du Sud, nous travaillons continuellement à améliorer et développer l'entreprise. Nous nous efforçons d'offrir à nos clients une valeur exceptionnelle grâce à nos ventes locales qualifiées et des représentants de service qui offrent un accès facile à plus de 3500 produits provenant du monde entier.
