Note: Specifications subject to change without notice.

Equipped with six sturdy epoxy-coated shelves, each with the capacity to support up to 85 pounds, you'll find ample storage space for your ingredients and products. The internal LED lighting ensures outstanding visibility, simplifying the task of locating items within.

Efficiency lies at the heart of this freezer's design, utilizing R290 refrigerant and powered by a commanding 1/2 horsepower compressor operating at 115V/60Hz. This translates to remarkably low energy consumption, a mere 8.80 KW per 24 hours, translating to significant long-term cost savings.

Hinge Location	Amps (A)	Hertz (Hz)	Temperature Range	Caster Size (inch)
Left/Right	7.1A	60	-8°F to -1°F	4.88

The Frigos brand is synonymous with uncompromising quality, and this freezer upholds that reputation. Whether you operate in the foodservice industry or a commercial kitchen, you can entrust this unit to maintain your products at their desired frozen temperatures, safeguarding their freshness and quality.

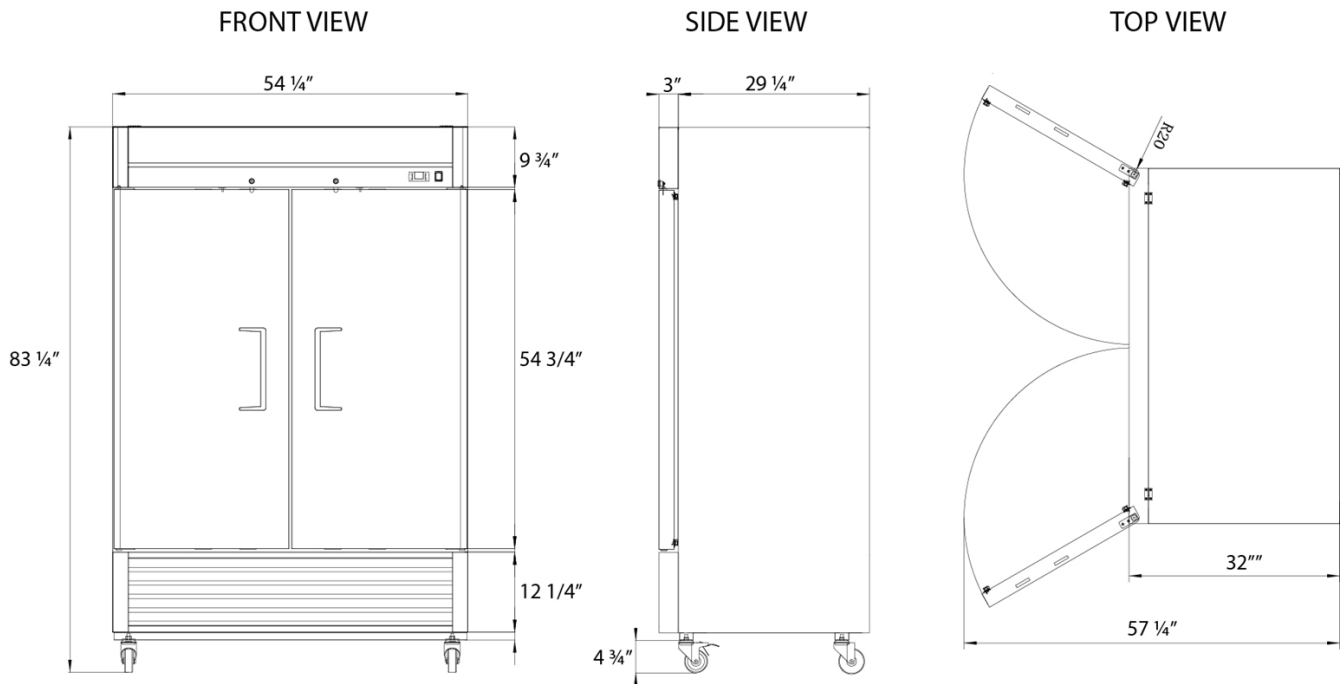

Two Door Reach-In Freezer SKU: FG-FZ-2D

The self-closing doors not only add convenience but also boost energy efficiency by securely locking when necessary. The unit's mobility is effortlessly enabled by 4 7/8 inches casters, with the option to lock two of them in place to ensure stability.

Invest in the future of your business with our FG-FZ-2D two-door reach-in refrigerator. It's a powerful, energy-efficient, and dependable addition to any kitchen, designed to meet your needs for years to come.

Technical Data:

Two Door Reach-In Freezer SKU: FG-FZ-2D
