Introducing the Frigos Premium FGP-RF-1DLH, a dependable 28" One Solid Door Reach-In Refrigerator designed for the rigorous demands of commercial kitchens. Boasting a generous 23 cubic feet capacity, this refrigerator is ideal for keeping your ingredients and perishable goods fresh and organized.

The FGP-RF-1DLH features a top-mounted compressor, a solid swing door, and three shelves, ensuring easy access and optimal storage space for your products. It consistently maintains a temperature range of 33°F to 41°F, guaranteeing your items are stored in the best conditions. With a 1/7+ HP compressor and eco-friendly R290 refrigerant, this refrigerator is engineered for energy efficiency, consuming a mere 1.56 KW per 24 hours, which can lead to substantial cost savings for your business.

This refrigerator comes in a sleek silver exterior, equipped with four-inch caster wheels for effortless mobility, and features a robust stainless steel interior and exterior for both style and durability. Whether you're running a bustling restaurant, a bakery, or any food service establishment, the Frigos Premium FGP-RF-1DLH is your reliable choice for efficient refrigeration, ensuring your kitchen operates at peak performance.
