Introducing the Frigos Premium FGP-RF-1D, a powerful and efficient 1-Door Reach-In Refrigerator designed to meet the refrigeration needs of commercial kitchens. With an impressive 23 cubic feet capacity, this refrigerator offers a spacious and organized storage solution for your perishable goods.

The FGP-RF-1D features a top-mounted compressor, a solid swing door, and three shelves, providing convenient access and excellent organization for your ingredients. It maintains a temperature range of 33°F to 41°F, ensuring your products remain at the optimal temperature for freshness. Equipped with a reliable 1/7+ HP compressor and utilizing eco-friendly R-290 refrigerant, this refrigerator is designed for energy efficiency, consuming just 1.56 KW per 24 hours, which translates into cost savings for your business.

This refrigerator boasts a sleek silver exterior, four-inch caster wheels for easy mobility, and a robust stainless steel interior and exterior, guaranteeing both style and durability. Whether you're operating a restaurant, bakery, or any commercial kitchen, the Frigos Premium FGP-RF-1D is your dependable choice for efficient refrigeration, ensuring your kitchen operates at peak performance.
