The Frigos Premium FGP-RF-2DBC/40 is a versatile and spacious double-door reach-in refrigerator, offering a generous 35 cubic feet of storage capacity. Designed with commercial kitchens in mind, this refrigerator is built to meet the high demands of busy foodservice operations, providing a reliable and energy-efficient solution for keeping your ingredients and perishables fresh and easily accessible.

With a bottom-mounted compressor and solid swing doors, the FGP-RF-2DBC/40 is both convenient and efficient. It boasts six sturdy shelves, ensuring ample storage and organization for your products. The refrigerator maintains a consistent temperature range of 33°F to 41°F, guaranteeing that your items are stored in optimal conditions.

The FGP-RF-2DBC/40 not only delivers efficiency but also places emphasis on sustainability, using R-290 refrigerant and consuming just 2.58 KW per 24 hours. Its silver stainless steel exterior and interior, along with four-inch caster wheels, make it easy to clean, durable, and visually appealing. Whether you operate a restaurant, bakery, or any food service establishment, the Frigos Premium FGP-RF-2DBC/40 is the perfect choice for dependable and efficient refrigeration, ensuring your kitchen runs smoothly.
